A RESOLUTION OF THE REGIONAL COUNCIL OF THE CENTRAL ARIZONA GOVERNMENTS, ADOPTING A FAIR HOUSING POLICY, MAKING KNOWN ITS COMMITMENT TO THE PRINCIPLE OF FAIR HOUSING, AND DESCRIBING ACTIONS IT SHALL UNDERTAKE TO AFFIRMATIVELY FURTHER FAIR HOUSING.

WHEREAS, the Housing and Community Development Act of 1974 as amended requires that all applicants for Community Development Block Grant funds certify that they shall affirmatively further fair housing; and

WHEREAS, the Civil Rights Act of 1968 (commonly known as the Federal Fair Housing Act) and the Fair Housing Amendments Act of 1988 declare a national policy to prohibit discrimination in the sale, rental, leasing and financing of housing or land to be used for the construction of housing or in the provision of brokerage services, on the basis of race, color, religion, sex, disability, familial status or national origin; and

WHEREAS, fairness is the foundation of the American system and reflects traditional American values; and

WHEREAS, discriminatory housing practices undermine the strength and vitality of America and its people;

NOW, THEREFORE, BE IT RESOLVED THAT the Regional Council of the Central Arizona Governments hereby wish all persons living, working, doing business in or traveling through this Region to know that:

Discrimination in the sale, rental, leasing and financing of housing or land to be used for construction of housing, or in the provision of brokerage services on the basis of race, color, religion, sex, handicap, familial status or national origin is prohibited by Title VIII of the Fair Housing Act Amendments of 1988; and that it is the policy of the CAG Region to implement programs, within the constraints of its resources, to ensure equal opportunity in housing for all persons regardless of race, color, religion, sex, handicap, familial status or national origin; and within available resources the Region, will assist all persons who feel they have been discriminated against in housing issues on the basis of race, color, religion, sex, handicap familial status or national origin to seek equality under existing federal and state laws to file a complaint with the Arizona Attorney General's Office or the U.S. Department of Housing and Urban Development; and that the Region shall publicize this Resolution and thereby encourage owners of rental properties, developers, builders and others involved with housing to become aware of their respective responsibilities and rights under the Fair Housing Amendments Act of 1988 and any applicable state or local laws or ordinances; and that the Region shall undertake the following actions to additionally "affirmatively further fair housing":

TO: CHAIRMAN AND REGIONAL COUNCIL MEMBERS

FROM: Travis Ashbaugh, AICP, Transportation Planning Manager

STAFF RECOMMENDATION: For the Regional Council to recommend approval of the 2017-2019 CAG/Sun Corridor Metropolitan Planning Organization (MPO) Human Services Transportation Coordination Plan (HSTCP). To view the Plan click on the following link <http://www.cagaz.org/Departments/executive/MC/packet/DRAFTTransPlan.pdf>.

DISCUSSION: The purpose of the CAG/Sun Corridor MPO HSTCP is to identify the transportation needs of individuals with disabilities, older adults and people with low incomes; to provide strategies for meeting these needs, and to prioritize transportation services for funding and implementation. CAG and the Sun Corridor MPO utilize a process that includes representatives of public, private and nonprofit transportation and human service providers, elected officials and conducting public participation to identify transit needs/service gaps, and to establish priorities in order to make informative funding decisions for specialized transportation services.

CAG and the Sun Corridor MPO, under a Joint Planning Agreement, have come together and recognized that the transit environment is dynamic and dependent on stakeholder involvement. As a result, CAG and the Sun Corridor MPO jointly review and update the CAG/Sun Corridor MPO HSTCP every three years, and conduct annual updates in order to capture annual adjustments. The current updated plan is the three-year update for the State Fiscal Year 2017 thru 2019. The update includes updated demographic information, as well as the status of new and existing transportation providers serving the transportation dependent and disadvantaged populations in the Region.

FISCAL IMPACT: Future 5310 grant not being awarded to service providers eligible for said grants within the CAG and Sun Corridor MPO Regions.

ALTERNATIVES: Approve, Deny, or Table; Failure to approve the 2017-2019 CAG/Sun Corridor MPO Human Services Transportation Coordination Plan will result in the inability of service providers to apply for 5310 grants, primarily for the purchase of new vehicles, within the CAG and Sun Corridor MPO Regions.

DISCUSSION: CAG is responsible for programming the available Surface Transportation Program (STP) and Highway Safety Improvement Program (HSIP) dollars for the CAG Region. The Amendments recommended by the TTAC are reflected in the attached TIP FY 2017 – FY 2027 document, and are outlined with a red box. The recommended changes to the CAG FY 2017 – FY 2027 TIP are as follows:
