

Position Announcement
Job Title: Mobility Management Coordinator
Location: Apache Junction, Arizona
Salary: \$41,394 - \$50,860

The Central Arizona Governments (CAG) is seeking a Mobility Management Coordinator for its Transportation department. With our central office located in the City of Apache Junction, CAG is a regional governmental planning agency serving 17 communities, two counties, four Native American tribes, and a total population of 523,225 throughout Pinal and Gila counties.

The Mobility Management Coordinator is responsible for planning, coordinating, and expanding the availability of services and resources to improve the accessibility of transportation services for persons with disabilities, aging adults, and individuals of lower income, within the Central Arizona Governments (CAG) and Sun Corridor Metropolitan Planning Organization (MPO) Regions. The position requires significant relationship development amongst transit providers, state, regional, and local organizations, as well as extensive travel within the CAG/SCMPO Regions and surrounding environs.

Employment in this position is subject to annual renewal of federal funding.

ESSENTIAL DUTIES, FUNCTIONS, & RESPONSIBILITIES

- Coordinates and develops the required annual updates for the CAG/Sun Corridor MPO Human Services Transportation Coordination Plan, which identifies overall regional transit needs, with an emphasis on the elderly, disabled, and low income households; and also provides strategies for meeting those local needs.
- Gathers and analyzes data to evaluate transportation service options for the elderly, disabled, and low income households, and develops strategies based on that data and attempts to secure funding to address those strategies.
- Supports state, regional and local coordination planning and policy committees.
- Develops strategies for seeking other funding sources and leveraging existing funds with other non-FTA Federal programs to implement those strategies.
- Facilitates the Gila-Pinal Transportation Coordination Committee which coordinates local transportation providers to assess needs, address gaps, and improve efficiencies for transportation service delivery within CAG and the Sun Corridor MPO Regions.

EDUCATION/EXPERIENCE

A Bachelor’s Degree in a related field (i.e. Transportation, Planning, Public Administration, Community Planning, Management or Business Administration) is required. Experience with a public, private, or non-profit transit system, handling the day-to-day operations of service planning, accessible services, human services transportation coordination or a related field is highly desirable. Any combination of related education, training and work experience that demonstrates the knowledge, skills and ability to effectively perform the functions of this position, may be substituted for required education.
